

# September

Hello AC Families,

I hope this newsletter finds you doing well. As always when we come back from summer break, our students are exposed to many different illnesses, this year we get to add COVID to flu, strep throat, upset bellies, and runny noses.

If ill please keep your child home, students may return to school after 24 hours fever free without the use of a fever reducing medication.

In this newsletter you will find several ways that you can be informed about your students progress.

## Events for the Month

- Sept 5 - Labor Day - No School
- Sept 6 - Ace Against Cancer-
